Subject: Cultural Resources Concurrence Request, K & K Rock, Inc., K & K Rock Quarry, S/029/0010, Morgan County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from K & K Rock, Inc., to conduct small mining operations in Section 14 of Township 5 North, Range 2 East, SLM, Morgan County, Utah. Enclosed with this letter are copies of the cultural resources survey report, the required cover pages, and the location map provided by the operator.

The survey for cultural resources found no sites, and the consultants preparing the report considered the probability of finding anything significant to be low. The Division finds that no historic properties are present and that no historic properties would be affected. We seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker  
Minerals Program Manager
